

“Practical experience shows that nothing will so much insure immunity as intensive work with others. It works when other activities fail. This is our twelfth suggestion: Carry this message to others! You can help when no one else can. You can secure their confidence when others fail. Remember they are very ill.”

Step 12

Having had a spiritual awakening as the result of these Steps, we tried to carry this message to compulsive overeaters and to practice these principles in all our affairs.

A 12th Step Promise

“Life will take on new meaning. To watch people recover, to see them help others, to watch loneliness vanish, to see a fellowship grow up about you, to have a host of friends - this is an experience you must not miss. We know you will not want to miss it. Frequent contact with newcomers and with each other is the bright spot of our lives.”

Tradition 12

Anonymity is the spiritual foundation of all these Traditions, ever reminding us to place principles before personalities.

About Overeaters Anonymous

www.oa.org

Overeaters Anonymous is a Fellowship of individuals who, through shared experience, strength, and hope, are recovering from compulsive overeating. We welcome everyone who wants to stop eating compulsively.

There are no dues or fees for members; we are self-supporting through our own contributions, neither soliciting nor accepting outside donations. OA is not affiliated with any public or private organization, political movement, ideology or religious doctrine; we take no position on outside issues.

Our primary purpose is to abstain from compulsive overeating and compulsive food behaviors and to carry the message of recovery through the Twelve Steps to those who still suffer.

When several meetings form in an area, they soon realize that they can better perform certain functions together rather than separately. Intergroups spring from a need to provide service for a number of local meetings and help distribute information about OA in a community. GC Intergroup is directly responsible to the meetings it serves.

The **Gold Coast Intergroup** provides support to OA meetings and members within the South Florida area, spanning northern Miami-Dade, Broward, and southern Palm Beach counties.

Our mailing address is P. O. Box 5415, Lighthouse Point, FL 33074.

GC Intergroup meets on the 4th Saturday of each month at 10:00 AM.

Message from the GC Intergroup Chair:

“Having had a spiritual awakening as a result of these steps, we tried to carry this message to compulsive overeaters, and to practice these principles in all our affairs.”

The joy of living is the theme of the Twelfth Step and action is key. Having had a spiritual awakening, I can give of myself and expect no reward, because love has no price tag. I am recovered and my new state of consciousness is received as a daily free gift: in service, food neutrality, and prayer. I am truly living a magnificent new reality, just two years after bitter, suicidal relapse. There is tremendous reward in helping other compulsive overeaters practice these principles. I too have seen calamity transformed into an asset (that is my name spelled backwards). I have shared my grief and found laughter, joy, and fellowship. We are not a glum lot. By applying the twelve steps to any problem in my life, I continue to grow in my faith and trust that spiritually is always the answer. My attitude and outlook has changed. As my time as chair of Gold Coast Intergroup comes to an end, I have experienced a greater understanding of the principles of humility and service, that I hope you get an opportunity to experience. Through this process, I too have better understood the Twelfth Tradition of Anonymity; the spiritual substance of which is sacrifice. Anonymity is real humility. May Higher Power Bless you, always.

Yours Truly,
Tessa Q

Seeking Out Service

Any form of service that helps a reach fellow sufferer adds to the quality of our own recovery. Members can give service by getting to meetings, putting away chairs, putting out literature, and talking to newcomers. Beyond the group level, a member can serve as intergroup representative, committee chair, region representative, or Conference delegate. <https://oa.org/groups/service-bodies/service-bodies/>

From the Pinellas Traditions Intergroup Newsletter:

In the August issue of "Lifeline", there was an interesting reminder about what would happen if our Intergroup didn't function anymore. Have you realized that we have a telephone answering service, newsletter, website, meeting list, reference for speakers and sponsors, fellowship events, workshops, communications with Region 8 and World Service, public outreach and professional information efforts, many different committees all working together to help the suffering compulsive overeater. All these would go away if our Intergroup did not exist. Do you participate with Intergroup? Where would the newcomer go? Were we here for you? Please consider giving service to our wonderful fellowship that saved my life! Thanks, JR

Step 12

Having had a spiritual awakening as the result of these Steps, we tried to carry this message to compulsive overeaters and to practice these principles in all our affairs.

“Life will take on new meaning. To watch people recover, to see them help others, to watch loneliness vanish, to see a fellowship grow up about you, to have a host of friends - this is an experience you must not miss. We know you will not want to miss it. Frequent contact with newcomers and with each other is the bright spot of our lives.”

An Essay on Step 12

“Having had a spiritual awakening as the result of these steps we tried to carry this message to Compulsive Eaters and to practice these principles in all our affairs.”

At first glance step 12 looks like a commencement exercise. It isn't; it actually reminds me that my accumulated recovery is a result of others guiding me along the path. Without those who went before me, I wouldn't have recovery. I know so well that I did not and cannot do it alone.

I have had a spiritual awakening and I continue to have a Spiritual Awakening every morning if I begin practicing the steps.

So it's my responsibility and pleasure is to tell others about recovery, in or outside of fellowship. I share my experience strength and hope to those who care to hear it. I say yes, when folks ask me to be their sponsor or simply want my opinion on an aspect of the program. Ultimately, my role is to serve others.

Each time that I help someone on the path I recreate and reinforce my own recovery. The payoff is enormous. My experience of practicing step twelve as said elsewhere, is the joy of living. I finally know that my contribution to others is a precious gift to me. What we are promised is a life of sane and happy usefulness as a result of practicing the steps; that is more than enough.

I almost certainly could not keep my recovery unless I share it with others. In our 12 and 12 is the quote, “... the Greatest joy of recovery comes to us when we share our program with others.” ❖

-C.

From the Big Book (4th Edition), Page 14-15:

“My friend had emphasized the absolute necessity of demonstrating these principles in all my affairs. Particularly was it imperative to work with others as he had worked with me. Faith without works was dead, he said. And how appallingly true for the alcoholic! For if an alcoholic failed to perfect and enlarge his spiritual life through work and self-sacrifice for others, he could not survive the certain trials and low spots ahead. If he did not work, he would surely drink again, and if he drank, he would surely die. Then faith would be dead indeed. With us it is just like that.”

SERVICIO ES SU PROPIA RECOMPENSA

“La experiencia práctica demuestra que no hay nada que asegure tanto la inmunidad a la bebida como el trabajo intensivo con otros alcohólicos. Funciona cuando fallan otras actividades. Esta es nuestra *duodécima sugerencia*: ¡Llevar este mensaje a otros alcohólicos! Tú puedes ayudar cuando nadie más puede. Tú puedes ganarte su confianza cuando otros no pueden. Recuerda que están muy enfermos.” Libro Grande, pg. 89.

Soy alguien que ha luchado con la abstinencia y ha tenido múltiples relapsos. He orado con todas mis fuerzas, he probado muchos planes de comida, he ayunado tres días seguidos, y el milagro me ha eludido para mi frustración y desmoralización. Cuando leí que los primeros alcohólicos estuvieron tratando infructuosamente, por meses de ayudar a otros, aunque no pudieron producir la deseada ayuda, al menos pudieron mantenerse sobrios a sí mismos, se me prendió el bombillo; ¡ah! Esa es la solución. Aunque mi madrina insistía en que yo necesitaba buscar una ahijada, yo evadía el tema porque no tenía ganas de amarrar mi tiempo con esa actividad y responsabilidad.

Hoy tengo múltiples ahijadas, en adición a mi propia madrina. Además de haber acumulado muchos años de abstinencia, nada iguala el placer de ver a otras personas recuperarse, de crear relaciones valiosas, amistades para toda la vida, la satisfacción de hacer el trabajo que mi Poder Superior me ha asignado son las recompensas que traducen en paz mental y dicha. ❖

– FF

SERVICE IS ITS OWN REWARD

“Practical experience shows that nothing will so much insure immunity from drinking as intensive work with other alcoholics. It works when other activities fail. This is our *twelfth suggestion*: Carry this message to other alcoholics! You can help when no one else can. You can secure their confidence when others fail. Remember they are very ill.” Big Book, page 89

I am someone who has struggled with abstinence and has had a multitude of relapses. I have prayed with all my strength; I have tried many food plans, I have fasted three days in a row, and the miracle has eluded me to my great frustration and demoralization. When I read about how the first alcoholics were trying unsuccessfully for months to help others, they couldn't get anybody sober but they kept sober themselves! Ah! That is the answer! Despite the fact that my sponsor kept insisting that I needed to find a sponsee, I avoided the subject because I had no desire to tie up my time with that kind of activity and responsibility.

Today I have multiple sponsees, in addition to my own sponsor. Besides having many years of abstinence accumulated. Nothing equals the pleasure of seeing other people recover, of creating valuable relationships, lifetime friendships and the satisfaction of doing the work that my Higher Power has assigned to me. Those are the rewards that translate in peace of mind and joy. ❖

Tradition 12

Anonymity is the spiritual foundation of all these Traditions, ever reminding us to place principles before personalities.

Response on Tradition 12 & its Principle

Self-sacrificing attitudes are developed by working the 12 steps of the program & practicing abstinence. **Self-sacrificing attitudes** are described in the Overeaters Anonymous 12 & 12 book as placing the welfare of the OA group above our own desires; giving up our aspirations to govern fellow members; welcoming to our meetings all people with a desire to stop eating compulsively, no matter what we think or feel about them; giving up our dependence on authorities and power structures, along with our ambitions to climb to the top of some imagined OA ladder; ceasing all attempts to use OA to promote our favorite outside issues and enterprises; paying our own way and not expecting others to keep OA going without our help; giving up all aspirations to gain status as special OA members; and giving up all ambitions that we might someday be acclaimed for our OA recovery or service. All of these attitudes are important yet, the Overeaters Anonymous 12 & 12 book defines **anonymity** as the **single spiritual foundation behind all these self-sacrificing attitudes**.

Therefore, the question is how can such a self-sacrificing spiritual foundation of anonymity be attained? Part of the answer may be found within the pages of the Alcoholic Anonymous Big Book p.63 when we approached step three which reads “Many of us said to our Maker, as we understood Him: God, I offer myself to Thee—to build with me and to do with me as Thou wilt. Relieve me of the bondage of self, that I may better do Thy will. Take away my difficulties, that victory over them may bear witness to those I would help of Thy Power, Thy Love, and Thy Way of life. May I do Thy will always!” This step three prayer incorporates the **Spiritual Principle of Tradition 12: Spirituality (discussed within the Appendices II of the Big Book, “Spiritual Experience” p. 567-568 ❖**

Lovingly submitted,
Patricia KS

“We have learned a whole new set of skills for living, skills that enable us to clear from our lives everything that might interfere with our trust in this Higher Power”
