Please join us remotely on the 3rd Sunday of every month from 2-3pm. Next meeting will be Sunday, February 16th. Together we get better.

When several groups form in an area, they soon realize that they can better perform together rather than separately. Groups may form an intergroup that is directly responsible to the groups it serves. Intergroups spring from a need to provide service for a number of local groups and to provide better information about OA in a community . Separate 'Intergroups' make up 'Regions' and then the 'Regions' (11 in all) combine to make up the 'World Service'.

Our Intergroup is part of Region 8 (also called "Southeast OA Region 8," or the acronym, SOAR8), which serves Southeast U.S., Puerto Rico, Caribbean, Central and South America.
