For Moderators:

If your meeting Group Conscious decides to utilize the Zoom application to allow remote attendance to your meeting, you will need someone to open your meeting so that others can remotely attend the meeting. Check your meeting time to see if there are other meetings occurring at the same time as yours. CGI may need to set up a unique ID for your meeting.

When in the meeting, we recommend you join the meeting through the Zoom mobile app. You can download the free Zoom Mobile App from the Apple App Store or Google Play Store.
