

Suggested Ideas to make your meeting more Newcomer-Friendly

1. Remember to circulate WeCare Book a second time, to allow newcomers to record members' contact information.
2. Consider adding to meeting script a permission for newcomers to photograph the day's sign-ins using camera or smart phone.
3. Circulate Newcomer Package for members to write their first names and contact info before offering package to Newcomer.
4. Invite Members to volunteer to phone Newcomers after meeting.
5. Remember to greet Newcomers after meeting, before getting into small group discussions that may make Newcomers feel excluded.
6. Consider adding to meeting script an invitation for available sponsors to identify themselves, either by show of hands or by a check box column on the WeCare sign in sheet.
7. Keep in mind that we can't keep our recovery if we don't "give it away."
